ADVANCED AFTERCARE
FORMULA FOR LASH LIFT

ELLEEPLEX ADVANCED GEL FORMULA IS THE PERFECT DAILY TREATMENT TO MAINTAIN OPTIMUM LASH LIFT RESULTS AND LASH HEALTH, HELPING TO ELIMINATE FRIZZY HAIR WHILST PROVIDING SOFTNESS AND SHINE TO EYELASHES AND BROWS.

MAKE LASH MAGIC HAPPEN WITH ELLEEPLEX.

Enriched with proteins, amino acids and vitamin complex ingredients such as Keratin, Arginine, Hydrolised Collagen, Allantoin and Panthenol. Specially formulated to help restore proteins, speed up cell generation, increase potassium channels in the cells and increase moisture levels to the hair. Includes sunflower oil extract and anti-oxidants which help protect the hair and give longer lasting results with lash or brow tinting.

DIRECTIONS: apply a coating to clean, cleansed lashes morning and evening. Can be applied under Mascara. For best results, use in conjunction with Elleebana Elleevate Mascara for ultimate after care.

PEACE, TRANQUILLITY & BEAUTY
for your lashes
